Dear Parents,

St Martin's Church provides ongoing pastoral care, services and resources to the parishioners of St Martin de Porres parish and school. To finance these projects the school parents are requested to contribute to the church via our Parish Support Envelope Programme or Parish Capital Improvement Contribution (school families).

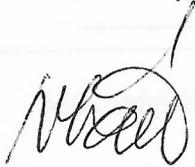

The Parish Support Envelope Programme consists of a nominated regular payment e.g. weekly, monthly, yearly either in cash (you will receive a bundle of envelopes for 6 months at a time), by credit card or direct debit. Parish families who don't have children at our Primary School use this system of payment.

Alternatively, the payment of \$330 could be made via our Parish Capital Improvement Contribution Programme. You could choose payment by either cash, credit card or direct debit either weekly, monthly, per term or yearly.

Financial support for and volunteer assistance in your parish is a factor for consideration when your application for enrolment at a Catholic Secondary School is processed by them.

Please feel free to contact our Parish Secretary Mrs Paula McKernan if you need further clarification with regards to this payment.

Yours sincerely,

Fr Nhan Le
Parish Priest

Mrs Stefanie Harvey
School Principal
